Without prejudice to the rights of the Company to detain the Aircraft (whether pursuant to these conditions, the said Section 88 or otherwise), the said lien shall not be lost by reason of the Aircraft departing from the FBO but shall continue to be exercisable at any time so long as any of the Charges, regardless of when they were incurred remain unpaid.

On completion of a sale under this Clause 5.3, the Company shall apply the proceeds of sale in total or partial satisfaction of all Charges due plus all costs and expenses incurred in connection with this sale including (without limitation) all storage, legal and

other professional costs and charges. Any shortfall between amounts due to the Company and the proceeds of any such sale shall be paid, on demand, by the Operator to the Company and any excess between the two will be returned to the Operator. The powers referred to in this Clause 5 are exercisable by the Company without prejudice to any other power granted from time to time by statute or otherwise.

6. Liability and Indemnity

6.1 Nothing in these Conditions of Use shall operate so as to exclude or limit the liability of either party to the other for death or personal injury arising out of negligence or for any other liability which cannot be excluded or limited by law.

6.2 Neither the Company nor their respective employees, servants or agents shall be liable for:

(a) any costs, claims, damage or loss whatsoever to any Aircraft, its parts or accessories or any property contained in the Aircraft at any time, including while the Aircraft is at the FBO or in the course of landing or taking off at the Airport or arising out of the performance of any ground handling services provided by the Company, or being removed or dealt with elsewhere; or

Furthermore neither the Company nor their respective employees, servants or agents shall be liable to the Operator for any demand or claim, whether arising in tort or contract or otherwise, to the extent that such demand or claim is for loss of revenue, loss of profit, loss of use, loss of business or goodwill or any other form of economic or consequential loss or damage and whether arising directly or indirectly from any act, omission, negligence or other default.

6.3 The Company gives no warranty as to the continuous use and operation of the FBO and may at any time or from time to time at its sole discretion close or restrict access to the FBO.

6.2 The Company shall not be liable to the Operator, its directors, agents and employees:

6.2.1 for loss of or damage to any Aircraft, Engine, Aircraft or Engine parts or accessories, or any property contained in any Aircraft, occurring while any Aircraft, Engine, Aircraft or Engine parts or accessories or other property is situated at the FBO, in the course of landing or taking off at the FBO or being removed or dealt with by the Company in the event of sale or detention of such Aircraft, Engine, Aircraft or Engine parts or accessories in accordance with the relevant legislation or under these Conditions of Use, arising or resulting directly or indirectly from any act, omission, neglect or default on the part of the Company, unless due to the wilful misconduct or gross negligence of the Company.

(ii) any indirect or consequential loss or damage whatsoever, whether or not the Company was aware that such loss or damage might be incurred by the Operator.

6.2.3 The Company, its employees, servants and agents shall be kept indemnified by the Operator against all costs, claims, injury (including personal injury and death), loss or damage (including loss or damage to the property of the Company) of any description due to or arising out of the use by the Operator of the Airport, the presence of the Operator's Aircraft or other property on the Airport or on areas or premises occupied or controlled by the Company or anything done, permitted or omitted by the Operator or any of its employees, servants or agents in or upon the Airport, save to the extent that such costs, claims, injury, damage or loss are caused by the Company or their employees, agents or servants acting with intent to cause damage or recklessly and with knowledge that damage would probably result or unless such indemnity is prohibited by statute.

6.3 The Company gives no warranty as to the continued use and operation of the FBO and may at any time at its sole discretion close or restrict access of the public to the FBO or any part thereof without incurring any liability to the Operator.

6.4 The security of the Operator's Aircraft and all its contents and the Operator's other property shall at all times be the sole responsibility of the Operator who shall take such steps as it believes is appropriate to restrict unauthorised access to, or unauthorised use of, the Operator's Aircraft and its contents and the Operator's other property.

6.5 Subject to Clause 6.1, the total aggregate liability of the Company to the Operator under or in

relation to these Conditions of Use, whether arising in or for breach of contract, tort (including negligence), breach of statutory duty, misrepresentation or otherwise, shall not in any event exceed in respect of any calendar year, an amount equal to the total Charges paid by the Operator to the Company pursuant to these Conditions of Use in respect of that calendar year.

The minimum levels of such passenger, baggage, Cargo and third party liability insurance shall apply in respect of any one occurrence or series of occurrences arising out of one event but shall be without overall limit for the insured period in the event of more than one claim, notwithstanding any limits agreed in respect of individual events or claims.

7.3 The Company may at any time on reasonable notice visit, inspect, examine and survey any Aircraft or parts or accessories relating thereto (including any aircraft documents), any licenses, permits or authorisations held by an Operator or any employee, contractor or agent of an Operator including, without limitation, any documentation evidencing the insurance policies held by the Operator. The Company will have no duty or liability to make or assume liability arising out of, any such visit, inspection or survey.

8.7 The failure to exercise, or delay in exercising, a right, power or remedy provided by these Conditions of Use or by law shall not constitute a waiver of that right, power or remedy. If a party waives a breach of any provision of the Conditions of Use this shall not operate as a waiver of a subsequent breach of that provision, or as a waiver of a breach of any other provision.

1.2 The Conditions of Use apply to, and are incorporated into, these hangarage and parking Terms and Conditions. Where there is a conflict between the Conditions of Use and these Hangarage Terms and Conditions, these Hangarage Terms and Conditions shall prevail.

2. Permission to Hangar or Park

The hangarage or parking of any Aircraft on or at the FBO will take place under the control of, and at the discretion of, the Company subject to operational commitments at the time. Prior permission to hangar or park an Aircraft must be given by the Company before an Operator may use the aircraft hangarage or parking facilities at the FBO. The Company reserves the right to require any Licensed Aircraft to be hangared or parked in any appropriate place, which may not necessarily be a predetermined hangarage area or parking stand.

3.1 Subject to paragraph 3 and paragraph 4, the Company:

3.1.1 permits the Operator to use the Designated Space for the Permitted Purpose for the Licence Term as detailed in the Offer; and

3.1.2 permits the Operator to use the Common Parts for the purpose of access to and egress from the Designated Space including for the avoidance of doubt to inspect and remove the Licensed Aircraft, or parts thereof, from the Designated Space.

3.2 The Operator acknowledges that:

3.2.1 the Operator shall occupy the Designated Space as a licensee and that no relationship of landlord and tenant is created between the Company and the Operator by the Licence;

3.2.2 the Company retains control, possession and management of the Designated Space

and the Operator has no right to exclude the Company from the Designated Space;

3.2.3 the licence to occupy granted by the Licence is personal to the Operator and is not assignable and the rights given in paragraph 2.1 may only be exercised by the Operator; and

3.2.4 the Company shall be entitled to transfer the Licensed Aircraft to alternative space elsewhere within the FBO as it requires.

4. Monthly Hangarage & Parking Fees

4.1 The Company may agree to charge a monthly rate per Licensed Aircraft in place of the standard aircraft parking or hangarage charges set out in the Charges Schedule. Monthly rates are only available on prior application to the Company. Following receipt of an application, the Company will either decline the application or issue an Offer to the Operator specifying the terms on which aircraft parking or hangarage facilities will be made available. The Operator must accept or decline the Offer by the date specified in such Offer or the Offer will be deemed to have been withdrawn.

4.2 Once a proposed monthly rate has been accepted by an Operator, that rate shall become effective for the duration of the Licence Term as the monthly rate and the Operator shall be liable to pay the monthly rate for the duration of the Licence Term.

4.3 Where the Company and the Operator have agreed that a monthly rate will apply to the parking of a Licensed Aircraft, that monthly rate will apply only to the specific Licensed Aircraft in respect of which it has been agreed and only for the Licence Term. No rebate against the monthly rate will be permitted despite the Operator not making full use of the facilities in respect of which it has been granted. The Company may at its absolute discretion allow other Aircraft to be substituted for the Licensed Aircraft, provided always that the Company may increase the monthly rate if the substitute Aircraft is larger than the Licensed Aircraft.

4.4 Unless the Company otherwise agrees in writing, the monthly rate will cease to apply on the earliest of:

4.4.2 immediately (or on such other date as the Company may specify) on the Company giving notice to the Operator at any time of a breach of any of the Operator's obligations under the Conditions of Use; or

5 Operator's Obligations

The Operator agrees and undertakes:

5.2 To pay to the Company the Licence Fee without any deduction in advance during the Licence Term and proportionately for any period of less than a month together with such VAT as may be payable on the Licence Fee, unless credit facilities have been agreed between the Operator and the Company in the Offer.

5.4 To maintain the Licensed Aircraft in an airworthy condition (or actively in the course of being returned to an airworthy condition) and capable of being manoeuvred without undue delay or

effort.

5.5 Not to obstruct the Common Parts, make them dirty or untidy or leave any rubbish on them.

5.6 Not to use the Designated Space other than for the Permitted Purpose.

5.7 Not to make any alteration or addition whatsoever to the Designated Space.

5.8 Not to do or permit to be done in the Designated Space or otherwise on the FBO anything which is illegal or which may be or become a nuisance (whether actionable or not), damage, annoyance, inconvenience or disturbance to the Company or to tenants or occupiers of the FBO or any owner or occupier of neighbouring property.

5.9 Not to fuel the Licensed Aircraft in, or to store fuel or other combustible or hazardous substances in, the Designated Space or any other space on the FBO.
